

CANADIAN RAIL 1983-2019 INDEX

INDEX 1983-2019 DE RAIL CANADIEN

Notes (English):

- 1: refer to the two separate abbreviations files for the explanation of the abbreviations used respectively in the item column and in the article and search columns
- 2: []s indicates an addition by the index compiler
- 3: italics are used, wherever possible, for designating printed publications such as books, magazines and newspapers, and their title abbreviations
- 4: extra spaces before locomotive numbers and elsewhere are used to obtain sequential listings when sorting the file
- 5: in order to respect the laws on the protection of personal information, published CRHA members lists are not included in this index
- 6: discrepancies between the index text and the actual text in CR can be attributed to errors corrected in later CR editions and retrofitted in the index text
- 7: separate private and/or commercial advertisements (other than those of the CRHA) for sale of books and other railway memorabilia are not included in this index

Notes Français :

- 1 : référez aux deux fichiers séparés des abréviations pour l'explication des abréviations utilisées respectivement dans la colonne item et dans les colonnes article et mots-clés
- 2 : [] indiquent une addition par le compilateur de l'index
- 3 : les caractères italiques sont utilisés, partout où cela est possible, pour désigner des publications telles que livres, magazines et journaux, et leurs titres abrégés
- 4 : des espaces supplémentaires devant les numéros de locomotives, et en d'autres endroits, sont utilisés pour obtenir des séquences numériques lorsque le fichier est trié
- 5 : par respect des lois sur la protection des renseignements personnels, les listes publiées de membres de l'ACHF ne sont pas incluses dans cet index
les différences entre le texte de l'index et le texte publié dans Rail canadien peuvent être attribuées à des corrections publiées dans des éditions ultérieures de RC et incorporées dans le texte de
- 6 : l'index
- 7 : les annonces privées et/ou commerciales séparées (autres que celles de l'ACHF) pour la vente de livres et autres souvenirs ferroviaires ne sont pas incluses dans cet index

Index compiled by Gilles Lazure according to a plan suggested by Peter Murphy, Co-editor of Canadian Rail

Fichier compilé par Gilles Lazure d'après un plan suggéré par Peter Murphy, co-éditeur de Rail canadien

File date/Date du fichier : November 25, 2020/25 novembre 2020
